
ST. GEORGE'S TENNIS CLUB

Policy: Spring Operations

During the months of May and June, the Club aims to provide members with court lighting and host services provided that the courts are judged playable by the St. George's hosting staff or Grounds Committee officials. If the Club closes early, the clubhouse telephone message greeting will be updated stating that the courts are closed and indicate when they may reopen.

May

Host services will be available during the day. Host services and court lighting will be available in the evenings based on player activity.

June

Host services and lighting will be available during normal club hours.
